Dated: 01st October, 2024

Office Order
No: 146/2024

Subject: Engagement of IIIT Delhi with Section-8 Companies on Campus for external projects

The Board of Governors, in its 66th meeting held on Sept 4, 2024, has approved norms of execution of external projects through its Section 8 company, on terms specified in agreement with the Section 8 company, specific for each project.

The Board approved that for the projects received by the Institute, the Institute will retain a part of the project funds for project management/overheads. Such part may vary from project to project, depending on expenses for project management, execution, and monitoring of the project progress as its overall responsibility.

The Section-8 company will submit to the Institute the UC/SoE of funds received by it, while the Institute will submit the final UC/SoE to the external entity.

This issues with the approval of the Competent Authority.
