April 7, 2015

GUIDELINES NO: 01/2015

The Board of Governors in their 28th meeting held on 22nd January 2015 has approved following guidelines for payment of honorarium to Office Staff (*includes regular staff and staff hired through outsourced agency*) for help in organizing conferences, workshops, seminars etc.:

- Services of office staff will be availed, with prior permission of the HoD, for help in conferences, workshops etc., when a faculty member of the Institute has a key responsibility in the event,
- The honorarium should have been communicated to (or approved) by the organizing committee / GC / Finance Chair or other empowered body of the Conference,
- Budget provision should be available for compensating staff,
- Work on conferences would be treated as "extra work", except when it is an event of "importance to the Institute" (which the competent authorities will decide),
- While support of some of the office staff time may be availed for conference work, it is expected that staff member will put in extra time to manage this extra work. Hence, no individual staff member should be assigned responsibilities that will prevent him/her from performing regular duties,
- Generally, attempt should be made to "rotate" these duties, so all work (and honorarium) does not gravitate towards one or two persons,
- Honorarium @ ½ day's Gross Salary (exclusive of Institute's Cont. to NPS), rounded off to nearest hundred, will be paid for extra work during working days and @ 1.5 days for working on off-days. No. of days for each individual will be as decided by the concerned PI depending upon the quantum of assigned responsibility.
- Under no circumstances honorarium will be payable for events of the Institute. Those responsible for conduct of such events like Event Manager, Event Coordinator / Assistant etc. will also not be eligible for payment of honorarium as conduct of such events is part of their full time assigned responsibilities.

The Order shall become effective from 22.01.2015

This issued with the approval of the competent authority
