3. The expenses shall be incurred as per approved Rules and regulations and defined process. Any expenditure beyond the power specified below shall be with prior approval of the Director / Chairman and within the overall approved budget.
4. In cases where the financial sanction has been accorded by the Delegated / Approving Authority, the proposal may not again be submitted for releasing payment within the financial sanction.
5. In cases where only administrative approval has been accorded, the proposal may be resubmitted to delegated authority for financial approval.
6. Sanctions for the same work may not be split to avoid seeking approval of the higher competent authority.
7. Quarterly reporting to next higher authority may be made for powers exercised.
8. Due procedure for procurement of goods and service shall be followed. This shall be the responsibility of the division facilitating purchase of goods/services.
9. In case actual expenditure exceeds the amount sanctioned owing to amendment in contracts for reasons other than levy of statutory duties and foreign exchange fluctuation, prior sanction of the higher authority should again be obtained and of the next higher authority in case, the amount exceeds the power of the original sanctioning authority.
10. While sanctioning expenditure, all authorities to whom financial power has been delegated must ensure financial prudence and optimization of resources to derive best value for money.
