IIIT-Delhi/Office Order/6452

Dated: 31.12.2020

Office Order No: 434/2020

The Board in its 51st Meeting held on 09.12.2020 has approved the scheme for providing laptops to the B.Tech. students from the financially weaker families. The Board also advised that recommendations of the Finance Committee as mentioned below must be followed.

- To gain competitive price and thereby provide laptops to more number of students, the laptops may be purchased by the Institute through its defined purchase processes,
- The students should bear the cost of repairs, etc., owing to his/her negligence. The Institute shall not provide any other support in this regard.
- In compliance with the requirements of Section 35(1)(ii) of the Income Tax Act, 1961:
 - The student should give an undertaking that the use of the laptop will be for research purposes,
 - A note on the research undertaken during the Academic Year must be submitted to the Academics Division. A process may be developed in this regard.
 - Based on the above, the office of the Dean of Academic Affairs may certify the usage of the laptops for the intended purposes.

Eligibility:

(i) The scheme is open to first year B.Tech. students eligible for 100% and 50% fee waiver as per Delhi Government or IIIT-D Fee waiver scheme.

Suggested Process:

1. Students satisfying the above criteria will be given a Laptop, after the eligibility for fee-waiver has been verified by the Institute / Delhi Govt. A student will select the laptop to buy from a list of commonly used laptops to be prepared by the IT section. The student will be reimbursed a maximum of Rs 50,000 for the laptop. Alternatively, the Institute can facilitate in procuring the laptop.
2. If a student leaves the Institute for any reason in the first two years of his joining the Institute, he/she will have to return the laptop, which can be given to a student in the next batch.
3. After two years in the program, the laptop will become the property of the student, if he/she is not under Repeat year/Termination clause.
4. If there are more applications than the funds available, then students may be selected based on their income and academic performance so far, as decided by the Institute
5. Other details about operationalizing this will be as decided by the Institute
