IIIT-D/HR/Office Orders/2013/7701

28th May 2013**OFFICE ORDER NO: 44/2013**

The Board in its 23rd meeting held on 24th April 2013 has approved the proposal of offering consolidated salary based on CTC in place of the scale, for positions of up to three years.

The CTC will include all allowances like DA, HRA, telephone, internet, as well as cost for benefits like health insurance and reimbursement, LTC, children's education, etc. The final cost to the Institute remains the same, while the consolidated compensation looks more attractive. The consolidated amount may be adjusted yearly in such cases, based on changes in the CTC.

This issues with the approval of the competent authority
