IIIT-Delhi/Office Orders/2024/-736

Dated: 25th June 2024

Office Order

No: 55/2024

Subject: Regarding Investments of the Institute

The Board of Governors, in its 65th meeting held on June 6, 2024, approved the following regarding investments of the Institute:

The Board of Governors had approved the empanelment of 15 banks with an upper limit of Rs.50 crores in public sector banks and Rs.25 crores in a private sector bank for investment in fixed deposits in the last meeting. The Board had advised that the Institute may not invest more than 20% of total investment in any single bank to ensure that the Institute's FD portfolio is distributed among multiple shortlisted banks while ensuring the near best interest rate possible.

The Board, in its 65th meeting, further advised that the highest rates of interest may not be the only criteria to park funds in a bank but other aspects like period of investment, funds flow/requirement, and quality of service may also be kept in mind. The Board approved that the Investment Committee, while making investments, shall consider the rate of interest, period of investment and rating of banks in addition to the returns offered, with preference given to the top ten banks at the time of investment.

This is issued with the approval of the Competent Authority.
