Subject: Revision in Fellowship amount of Ph.D. students on Institute Fellowship

The Board of Governors, in its 65th meeting held on June 6, 2024, has approved the increase in fellowship amount to Institute Ph.D. students to Rs. 60,000/- per month (without HRA) for a period of 60 months. An additional Rs. 1.5 Lakh will be allocated per student to cover two weeks of international lab visit.

The Board advised to include the following in the selection norms to ensure that the enhancement of fellowships leads to an improvement in the quality of students:

1. Raise the bar during the interview process.
2. Strengthen the annual review process.
3. Have strict control to ensure that the amount spent is within the budgeted amount for the year.
4. Ensure a steady pipeline of in-flow of funds for the same.
5. Have a strict check on the profile of the Ph.D. students being considered to ensure their interest in research.

The revised fellowship amount will be applicable to fresh batch of Institute Ph.D. students and will be effective from July 1, 2024.

This is issued with the approval of the Competent Authority.
