CIRCULAR NO:13/2015

The Board in its 27th meeting held on 26th Aug 2014 has approved that if a faculty member wishes to leave the Institute, he/she should follow the guidelines mentioned below

- (a) A Notice Period of 3-4 months will need to be given. Reduced duration can be allowed in lieu of notice pay,
- (b) The date of relieving will, normally, be within 30 days after completion of the semester,
- (c) The faculty is expected to make suitable arrangements for PhD students he/she may be guiding. Often this may entail adding a co-supervisor. For MTech students, often the faculty can take the thesis/SP to completion even after leaving, but can add co-supervisors, if desired.
- (d) The faculty is expected to make suitable arrangements (normally by adding a Co-PI) for any projects for which he/she may be PI. Permission from the granting agency may be needed for this.
- (e) Return all equipment purchased through Institute funds/PDA/project; return other assets issued to him/her, and take "no dues".
- (f) The faculty must release the accommodation as per Housing Rules, and pay the rent as per rules for the period after relieving.

To facilitate in thesis guidance, and to continue collaboration, any regular faculty member who leaves will automatically be offered an Adjunct Faculty position for a period of two years.

The Order shall become effective from 26.08.2014.
