The Board of Governors had approved to start the new scholarship scheme, namely "IIIT-Delhi Merit cum mean scholarship" in its 64th Meeting.

The eligibility criteria will be as follows:

2. The applications will be submitted after the fee payment deadline for both the Monsoon and Winter Semesters.
3. The process will be closed within the financial year.

The Selection process will be as follows:

The selection of the final recipient will be based on a performance-based criterion depending on the number of applications and budget available for that particular year. This may vary from year to year.

While applying, the student has to submit an Affidavit-Cum-Undertaking with the following two statements: (To be executed on non-judicial stamp paper of Rs. 100/- duly attested by the Executive Magistrate or Notary Public)

1. The student does not receive a scholarship from any other private or government source.
2. In case the student receives any scholarship from other source after the award of scholarship, they will refund the same to IIIT-Delhi.

The Board of Governors suggested that keeping in mind the issues students are facing as the Delhi Government Merit Cum Mean Scholarship Scheme has been kept on hold, the Institute may consider extending its scholarship to more students by increasing the total scholarship amount. The Board would support a bigger budget for this, within the financial constraints of the Institute, including the need to be self-sufficient. It was also suggested that further efforts may be made to facilitate education loans for the students.

This is issued with the approval of the Competent Authority.
